If your loan has a Line of Credit account, the MasterCard or cheque book access you have on the line of credit account will be cancelled as part of the discharge process. In signing this acknowledgement you are confirming that:

1. You have destroyed your MasterCard(s) and any unused cheques;
2. You understand that MasterCard transactions made prior to the cancellation of your account may be debited to your line of credit account after an indicative payout amount is issued. This also applies to any cheques issued that have not yet been debited to your line of credit account. Consequently, the final amount required to discharge your loan in full may vary if outstanding transactions are presented following the final payout figure and settlement of your loan.
3. Following the discharge of your loan contract, you will remain personally liable for:
 - I. use of your MasterCard prior to or after its cancellation and discharge of the Line of Credit account;
 - II. any cheques that are issued or presented;
 - III. use of the MasterCard for mail, telephone, internet and standing order or direct debit transactions that have not been cancelled.

All borrowers and guarantors to sign (if signing for a company, please specify if director, secretary, sole director)

How to discharge your mortgage

If you have any questions about this form, please call us on 1300 650 931

What does this mean?

When discharging your mortgage, you are paying your current loan in full. The mortgage we have registered on the title of your property is removed, and we will no longer hold it as security.

Reasons you may want to discharge your mortgage:

- Selling the property or properties we hold as security;
- Refinancing your entire loan to a different lender; or
- Making a lump sum payment, to pay out your loan in full in order to discharge.

How do I start the process?

When you have decided to proceed with discharging your mortgage, you will need to complete and sign the attached Full Discharge Authority and return it to us by fax, email or post. (See the top of the form for details)

What costs are involved?

There are costs to be considered when discharging your mortgage. In addition to costs charged by other parties to complete this transaction, you will also be required to pay for any fees and charges under your existing mortgage. These fees are defined in your loan contract, subject to any amendments you have received, and could be any one or a combination of the following:

- Deferred administration fee and/or discharge fees;
- Penalty interest;
- Break-costs (if you have a fixed rate loan account);
- Our legal costs including disbursements and solicitors fees (to be supplied by the instructed solicitors);
- Government fees and charges (to be supplied by the instructed solicitors)

What happens next?

Once we receive your Full Discharge Authority, we will:

1. Instruct our solicitor and trustee to prepare a Discharge of Mortgage in readiness for settlement;
2. Prepare a firm payout figure, once a settlement date has been set and agreed to;
3. Appoint a solicitor to attend settlement on our behalf.

Please note: It is the responsibility of your solicitor, your new lender or yourself (if acting on your own behalf) to coordinate settlement with our solicitor. We require a minimum of ten business days from the time we receive your instructions to the settlement date.

What is a Payout figure?

A payout figure is the total amount required to payout your loan. This amount may include any fees payable (as outlined above), but will NOT include our legal costs, government fees and charges or the costs of any other party acting on your behalf. The amount required to payout your loan will change daily, due to the accrual of interest and change in your loan balance. Any payments made within 5 days of the final payout figure issue date, may not have cleared and will therefore not be taken into account as part of the firm payout figure. Any surplus funds will be refunded after settlement.

We require two full business days' notice to prepare a firm payout figure. Once this payout figure has been provided you will not be able to transact on your account. For example, you will not be able to make any payments or redraw funds.

Please note: If your payments are made by salary or direct crediting you will need to cancel these arrangements with your payroll officer or any other external parties.

I have a line of credit (with a MasterCard) – Are there any special requirements?

Yes. If you request your Line of Credit account to be cancelled, the MasterCard or cheque book access you have on the Line of Credit account will also be cancelled. Cancellation will occur once a final payout figure is issued for settlement. The Full Discharge Authority is an acknowledgement that all transactions relating to a MasterCard will be repaid in full, even if they are processed after your loan has been paid out. You will also need to return or destroy all MasterCards linked to your Line of Credit and contact any parties you have authorized to debit your Line of Credit and/or MasterCard account to setup new payment arrangements.

You should now:

Cease using your MasterCard or cheque book. Destroy them by:

1. Cutting up your MasterCard into a number of pieces and disposing of the pieces separately.
2. Tearing up any unused cheques (making sure to keep the cheque butts).

Cancel any direct debit arrangements and standing orders you may have organized through your MasterCard and any outstanding cheques.

Please note you must contact the organisation or payee to do this and to make alternative arrangements. These payments will not automatically cancel and you will continue to be liable for any transactions that occur on your account. We may seek to recover any amounts from you and action may be taken against you in relation to such transactions.
